LETTER OF DEFICIENCY

Dear Mr. Sabo:

In reference to your rate application received on July 9, 2012, supplemented by its revision of July 13, 2012, and revised schedules on August 27, 2012, and further supplemented by the second revised schedules provided informally to Staff on September 11, 2012, this letter is to inform you that your application has not met the sufficiency requirements as outlined in Arizona Administrative Code R14-2-103.

Staff has found several deficiencies with your application, which are listed on a separate attachment. The 30-day sufficiency determination period will begin anew when the company corrects the deficiencies and Docket Control receives an original and sixteen copies of the corrected pages.

You have 15 calendar days, or until October 11, 2012, to correct the deficiencies or make other arrangements with Staff to remedy your rate application. If the corrections or other arrangements are not made by the above date, Staff will request your docket number be administratively closed. Docket Control will retain one copy of the original application for Commission records. You may file an original and sixteen copies of an updated application at a later date.

The Staff person assigned to your application is Gerald W. Becker. He can be reached at (602) 542-0831, or toll free at (800) 222-7000, if you have any questions or concerns.
